Presentation

May the pages of this book
be a calendar of memories which
will always bring back to you the
year 1940-41 at Lees-McRae.

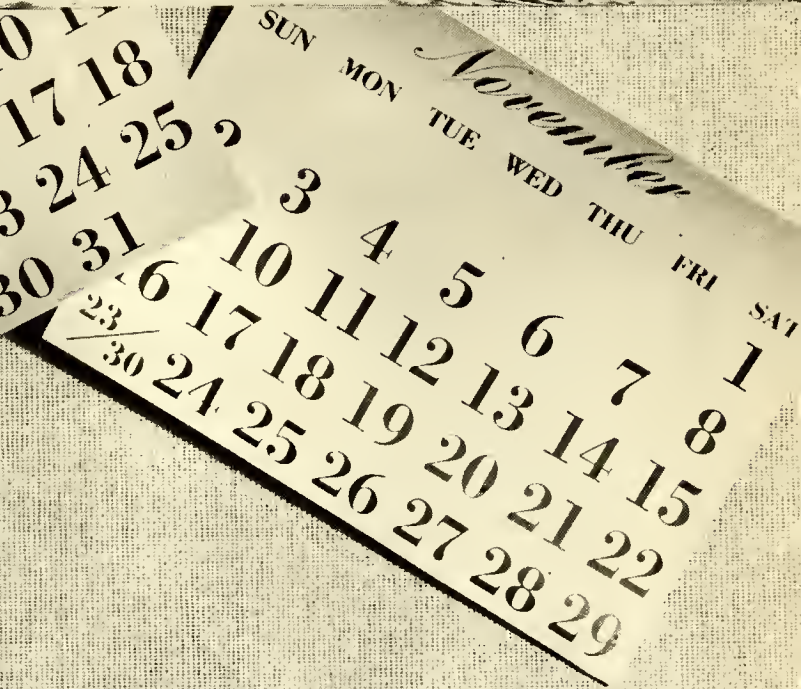

Dedication

The staff of the 1941 *Ontaroga* dedicate this volume to the first organized division of the Lees-McRae Alumni Association, the McNeil Alumni Chapter.

The members of this group have known the college as we know it now. They have gone out from its halls, each with different views and prospects, as we shall soon go. With them they have carried the spirit of Lees-McRae, and through the organization of a local alumni chapter they have expressed a desire to keep this spirit alive. In upholding the ideals of their Alma Mater and in desiring to preserve their memories and friendships together, they have set a worthy example for us who will soon follow them down the gray stone steps and out into the world.

In this dedication we, who represent the present of Lees-McRae, honor those who have gone on before and pledge with them our loyalty to our Alma Mater.

GIRLS BASKETBALL

Although the girls of Lees-McRae had more losses than wins in the 1941 season, they played to the end with gallant spirit. The team was lucky in having two veteran players, Sue and Floogie, who as medical secretarial students are at Lees-McRae for their third year. Kitty and Dot were the senior representatives on the team. The freshman members promise a good team next year and full vindication for this year's losses.
